Q7. And to what extent do you agree or disagree with each of the following statements? - Summary

All adults aged 18+ in Inner/Outer London

	Q7. And to what extent do you agree or disagree with each of the following statements?				
	Young people are being priced out of the local housing market	There is a need for more affordable housing in my borough, such as council housing	More private housing developments would be a good thing for the borough	Homelessness is a growing problem where I live	It's more important that homes have outdoor space than it was before the pandemic

QNEW_ENVR24. In principle, to what extent would you support or oppose introducing the following policies in London? - Summary
All adults aged 18+ in Inner/Outer London

	QNEW_ENVR24. In principle, to what extent would you support or oppose introducing the following policies in London?									
	Increasing the Congestion Charge to reduce the number of cars driving into the centre of London on weekdays	Encouraging people not to use a car to travel to work or school	Funding more cycle routes/lanes and facilities	Funding more pavements, footpaths and pedestrian areas	Introducing car-free days in inner London, where cars are not allowed to drive into the centre of the city	Only allowing access to the centre of London to electric or hybrid cars or vans on some days	Reallocating space away from motor vehicles to cyclists and walkers	Reducing traffic speeds in more built-up areas	Introducing 'Low Traffic Neighbourhoods' (LTNs), areas where bollards, planters and roadblocks are installed to stop motor traffic using some local roads	More funding for scrappage schemes to encourage people to replace their diesel/petrol cars with electric or hybrid vehicles
